- Impact: Increase HBO nurses and less MBO (EQF 4) nurses
- HR interventions
 - Function development
 - Research complexity care situation Hospital departments
 - Education

Underrepresented hospital functions

(Nurses: intensive care, emergency care and operating room)

- Change: GAP in labour market : required workforce
- Impact: underrepresented in all hospitals
- HR interventions
 - Regional cooperation (ZONN)
 - Recruitment
 - Education

Annual appraisals

Engaging employee's in projects and policy decisions

- Noordwest stimulates involvement of employee's regarding projects and policy decisions.
- By early connecting employee's in which they're legally represented by the works council.
- This benefits to the increasing influence of the employee's at the policy and plans of the organization and public support.
- All under reasonable conditions such as WOR (Law Works Council) and cao (collective labour agreement)

Engaging employee's in projects and policy decisions

- And in consideration with the interest of employee's as well as the organization.
- In this case, the works council was actively involved in the functional content design of the annual appraisals.
- Other examples of engaging are:
 - Outsourcing the company restaurant
 - Input annual plan Noordwest Ziekenhuisgroep
 - Initiative policy psychosocial workload
 - Assigning the Health and Safety Service

Vision Works Council

- Annual appraisals
- From 50% to 75%
- At least once a year
- Meaningful conversation employee with manager
 - Personal Life Stage Budget
 - Vitalities, the employability (in the nightly hours) of the employee of fifty years and over
 - Working conditions
 - Personal development plan

The role of the employee

- Self-assessment
- 360 degree feedback
- Develop competencies
- Discuss potential and ambitions
- Research career paths with employee portal (pilot)

Annual appraisals

- Evaluation of performance, potential and ambitions
 - Individual
 - Team
 - Fit for the job/Competent
