

A Sound mind in a Sound body

Taking care of those who take care of us

Vilnius, 23 - 24 May 2018

Social partners' conference on occupational Safety and Health

A sound mind in a sound body

Margret Steffen on collaboration

WORKLOAD

I really want to take care of my health,

Service design

Wow!
That looks
amazing!!

And I immediately see
what we can improve!

Directives

I have
the right to work
in a healthy
environment!

watch your back!

Third party violence at work

G...G...Good to see that bruised arm
is getting better...

...now put me down
please,
I can hardly breathe!

Integrated mobile care team

Service design

Wow!
That looks
amazing!!

And I immediately see
what we can improve!

This is a serious issue:
It simply is too heavy!!

Let me guess...

you are a nurse!

Escape room for nurses

psychosocial risks in healthcare

Come on,

Go to your patient!

... I DON'T
dare!

Verbal harassment

Raising awareness

If the patient uses one of these words,
you're confronted with aggression

Safe patient safe healthcare professional

Everybody's responsibility

I don't want to cover this up...

I have to **report** an act of violence
by a colleague...

...against a patient who did not dare
to report this herself.

No wrong door-rule

Let's just
skip the whole door!
makes reporting
even easier!

A safe and healthy workplace for all!

physical...

mental...

and Social health!

Work-life -(im)balance

Only a social Europe has the future!

Start talking!

Leadership & employee well-being

Vuosaari homecare

Homecare reorganised!

My workday is extended to 9 hours
and I have more time
to recover from work:
I feel much better!

Staff support programme in the emergency care

Thanks to the support
of my colleagues!

You're my
hero!
