

Dear HOSPEEM,

As we approach the joyous holiday season, I would like to take a moment to extend my warmest wishes to you on behalf of HOSPEEM. This time of the year serves as a poignant reminder of the unwavering dedication and commitment demonstrated by our healthcare professionals throughout the year.

Your inalienable contribution and support led to the extension of the role of HOSPEEM in EU affairs. This year HOSPEEM joined Harnessing Talent Platform, signed the Pact for Skills and became a part of the BeWell project to ensure the active involvement of social partners in the decision-making process. In addition, HOSPEEM became a project partner in the Finance4EPSR led by SGI Europe and a member of the Steering Committee of the EU OSHA Healthy Workplaces Campaign 2023-2025. Joint work together with EPSU was fruitful this year, and we are looking forward work together on updating the guidelines on Third-Party Violence and future joint projects.

This year has also brought some changes to the work of HOSPEEM. Noticeably, Project and Membership Officer Sara Fasoli left HOSPEEM after years of commitment and excellent work. This fall we welcomed Olena Horlach, our new Project and Policy Officer.

I want to express my sincere appreciation for your continuous support and engagement with HOSPEEM and I am looking forward to what we will accomplish together next year.

On behalf of the HOSPEEM, I wish you a joyous holiday season filled with cherished moments.

Warmest regards,
Marta Branca
Secretary General
