HOSPEEM NEWS

[Sectoral Social Dialogue Committee in hospital and healthcare sector is the first to endorse the Updated Guidelines to prevent third-party violence](#)

Together with employers from central governments, local and regional governments, education and horeca sectors, HOSPEEM concluded negotiations with respective trade union counterparts to update the European Multi-sectoral Social Partners Guidelines to prevent and tackle third-party violence and harassment related to work.

The text will be signed once all involved sectors have approved too.

[Contribute to the Ongoing Public Consultation for the BeWell Skills Strategy](#)

BeWell partners invite you to participate in the Online Public Consultation for the BeWell Skills Strategy.

BeWell is an Erasmus+ funded project that aims to promote upskilling and reskilling of the European health workforce. It focuses on the development of a green and digital skills strategy for the health ecosystem that can be implemented at a local, regional, national and European level.

EU NEWS

European Commission publishes Health at a Glance report

DG SANTE together with the OECD published the bi-annual *Health at a Glance* report that examines two interconnected priorities: promoting healthy longevity and addressing health workforce shortages. It calls for improvements in health crisis preparedness, including combatting AMR.
